Tri-City Raceway

THINGS TO KNOW PIT RULES

ACCESS & ENTRY

All participants must sign waivers and wear wristbands prior to entry

Pits are restricted access only

No children under the age of 10 permitted in pits

PIT & PADDOCK RULES

No animals, alcohol, or fire pits permitted

Transporters must be parked in designated transporter parking areas

No transporters allowed in pits during event operations

No overnight transporter parking in pits

Golf carts and scooters are permitted but must be parked once inside pits

Transporter parking areas are restricted while the track is hot

Do not leave tires on-site; all tires must be removed from the facility

TRACK & SAFETY

Strictly no access to track or restricted areas when track is hot

No crossovers unless directed by track officials

Foot traffic crossovers only during designated intervals

No hauler crossing at any time

Follow all posted pit maps for traffic flow and pit assignments

Be aware of surroundings at all times; high traffic environment

PRACTICE & PARTICIPATION

Participants must be registered for designated practice days

If not unloaded prior to practice start, you will be moved to a later session

If not actively participating, do not unload until instructed

RACE DAY PROCEDURES

Follow all instructions from race control and track officials

Group qualifying format applies where designated (5 cars per session)

Impound procedures enforced for applicable divisions

All vehicles are subject to technical inspection at any time.

ENFORCEMENT

Failure to follow rules, procedures, or official instructions may result in removal from the facility, loss of track privileges, or further penalties.

FINAL NOTE

This is a high-capacity event with strict procedures in place.

All participants are expected to operate safely, efficiently, and professionally at all times.
